

Regional E-Learning Support to PiP Members

The Regional E Learning Advisor

JISC Regional Support Centres have now received additional funding from the LSC to support LSC funded Work Based Learning and the JISC Regional Support Centre for Yorks & Humber has now appointed an e learning Advisor to support LSC funded Work Based Learning Providers in our region.

Initial RSC YH support offered to the Work Based Learning sector includes:

- Provision of information about regional LSC and Partners' Work Based Learning initiatives, projects and outputs.
- Strategy development and implementation support to WBL Senior Managers who have followed the CEL Connect and Realise programmes
- Support for practitioners trained in the NIACE e-guides programmes
- Access to RSC YH e learning Events, forums and mailing lists, learning platform and social network
